47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Since you have pretty much abandoned your role as a regulator, then competition is the only way to ensure competitive pricing and good service for consumers and small businesses. If you're going to allow monopolies, you need to do your job, otherwise get out of the way and let the market do its thing.
